EAGLE

EAGLE 1980

Look to this day!
For it is life, the very life of life.
In its brief course lie all the verities
and realities of your existence:
The bliss of growth;
The glory of action;
The splendor of beauty;
For yesterday is already a dream, and
tomorrow is only a vision;
But today, well lived, makes every yesterday
A dream of happiness, and every tomorrow a
vision of hope.
Look well, therefore, to this day!

From the Sanskrit

Success and happiness lie in the intergration of ones academic, social, and spiritual life: the goal of Illinois Benedictine College. Each year promotes change, innovation and improvement as a means to accomplish the goals of the I.B.C. community. The culmination of events, in the 1979-1980 academic year, form a personal reminder of one's individual growth. The following pages intend to capture precious moments; bring alive valuable memories which, for each individual, defines and summarizes a chapter of life.

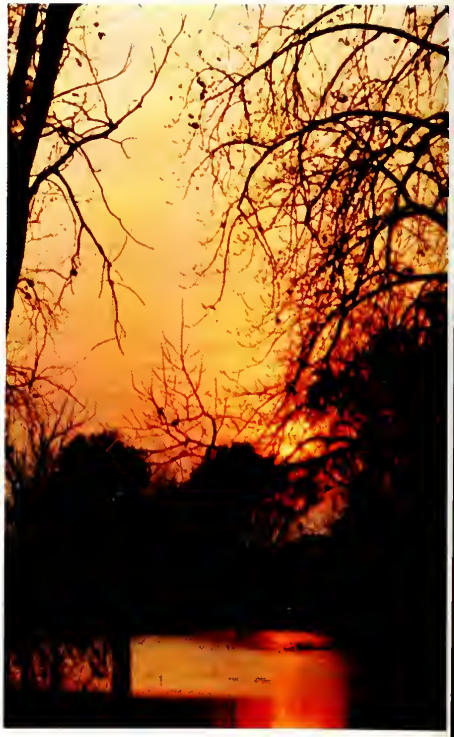
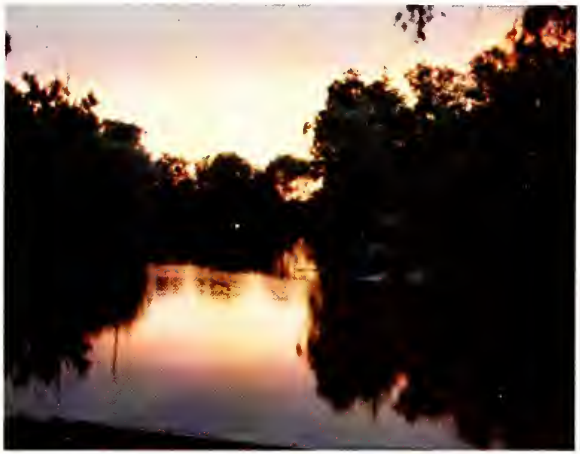
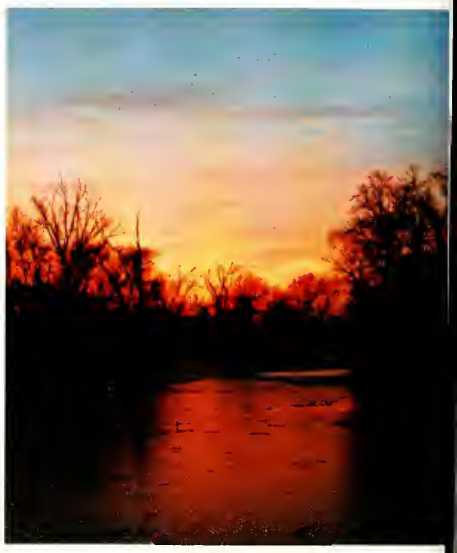
Beauty is God's handwriting







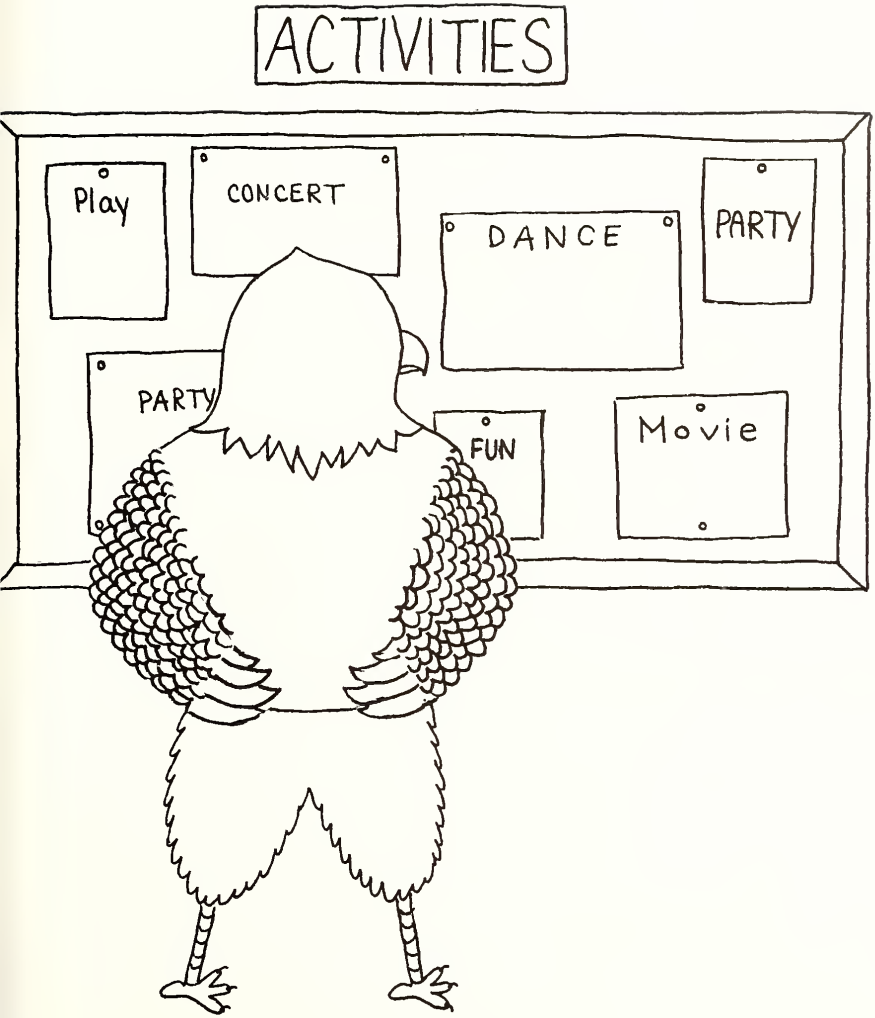
Many will remember 1979 as the year the Holy Father came to Chicago. All over the Midwest preparations were made for the coming of Pope John Paul II. Thousands gathered on the lawn of Grant Park on October 5th to catch a glimpse of the Pope. Students from Illinois Benedictine College participated in the preparation and ceremony.

The Benedictine Sesquimillenium Year

The monks of St. Procopius Abbey began celebrating a year of the fifteen hundredth anniversary of their religious order. They join with the sisters of Sacred Heart Convent to plan events throughout the year of the Benedictine sesquimillenium. The feast of St. Benedict, March 21, was welcomed with special enthusiasm as a beginning to this historical event.

The Benedictine order was founded by St. Benedict and his twin sister St. Scholastica. Founder of Western monasticism, St. Benedict wrote the "Rule for Monestaries" which is still followed by Benedictine communities around the world. St. Scholastica, in turn, founded the Benedictine women's religious order.

Since the turn of the century, both religious orders have given unending service to the Lisle community. Concentrating on the service of education, both orders are involved with the administration, faculty, and staff of Illinois Benedictine College and Benet Academy. The Lisle community joins with their Benedictine brothers and sisters to celebrate this special occasion.



ACTIVITIES

"Love Takes Time"

A colorful day of excitement describes the 1979 Homecoming. The day began with a victory for the Eagles, defeating Eureka 13-9. It continued with the crowning of king and queen: Joseph Kilbride and Mary Beth Hammond; it concluded with the annual Homecoming Dance "Love Takes Time" headed by chairperson Barb Bielawski.

SUCK

The boys from Jaeger seem to be experts at this sort of thing.

Are mice ticklish?

Tom Warkins wrestles his opponent to the ground.

How'd they do that?!

he slough field set aflame drew a crowd while tribute was aid to the senior football players.

Homecoming began with a week of activities sponsored by the various clubs on campus. Mattress races, rat races, and a greased pig contest were a few of the events scheduled. A pep rally and bonfire sparked off the school spirit which climaxed with a dance held at the Raddison Hotel on October 6th.

The perfect ending to a successful week of Homecoming activities.

Halloween is one of the IBC's favorite celebrations. Students adorn themselves in the most unique ways. Playboy bunnies, shieks, witches; and yes, pom pon girls haunt the campus as the moon rises. Prizes are awarded to the best group and individual costumes. Saga even adds some flavor to the occasion, greeting students in a festive manner. Halloween brings out the child in all of us.

Cast away your inhibitions

One of the most popular SAB sponsored events gives IBC students a chance to let go at the hands of hypnotist Larry Garret. Each year the hypnotist entices the more quiet, reserved individuals into performing in a way which they never thought possible . . . "Did I really do that!"

We salute You Mom and Dad

One of the largest turnouts in the IBC history was that of the 1980 Parents Day. Nearly 800 students and their parents attended the activities led by Parents Day coordinators: Greg Porod, Bernie Toussaint, Therese Martin, Patti Mallaney, Rita Vondreasah, Barb Bernhault, and the Parent's Day committee. The entire day was dedicated to the parents of IBC students including the last home football game, a special mass, and a dinner dance held in the Rice Center.

SAB President, Greg Porod, escorts his mother onto the dance floor.

The Rice Center accomodated the large turnout providing ample space for dining and dancing.

Bernie Toussaint and his mother "cut the rug" to a disco tune.

The day lent an opportunity for parents and students to visit and "catch up" on the latest news.

Various prizes were awarded to the couples who took a chance on the dance floor.

Sharing the most valuable gift: ourselves

Campus Ministry turned out an overwhelming amount of support for the community Christmas Drive and CCD Christmas party. Weeks before, students had donated food and presents which were distributed to those less fortunate of our community. The children of CCD classes, taught by IBC student volunteers, participated in a festive celebration of the Christmas season.

Going in Style

The men from Jaeger succeeded in forming an illusion for their first annual Christmas Dance. Beginning with the familiar setting of the cafe, they created an atmosphere condusive to dining, dancing, and romancing. Sponsored exclusively for the residents of Jaeger and their dates, the event lent a semi-formal atmosphere in the mid-season routine. Moreover, the "on campus" activity gave proof to the theory that successful and entertaining events can be found at home with a little work and dedication.

Going out in Style

Each spring Kohlbeck hall sponsors a special event for its residents and their dates. Throughout the year the dorm government, in conjunction with RHA, raises the funds necessary to sponsor an evening off campus for the men of Kohlbeck at Indian Creek Country Club.

As Time Goes By

Co-chairpersons; Barb Bielawski, Janis Lubis, and Patty Stevens joined to host the 1980 Winter weekend Dance "As Time Goes By". Preceded by a week of activities, the dance included cocktails, dinner, and dancing and was held at Algauer's Fireside in Northbrook.

. . . And They're Daddy's Little Girls

Ondrak hall sponsors a semi-formal affair which is different from others that are held at IBC. The girls devote an evening in the spring to those very special men in their lives, their dads. The dance was held in the Rice Center where cocktails and dinner were served. Kathy Cornwall and her father were elected to reign as king and queen at the affair.

IBC becomes "Kiddieland"

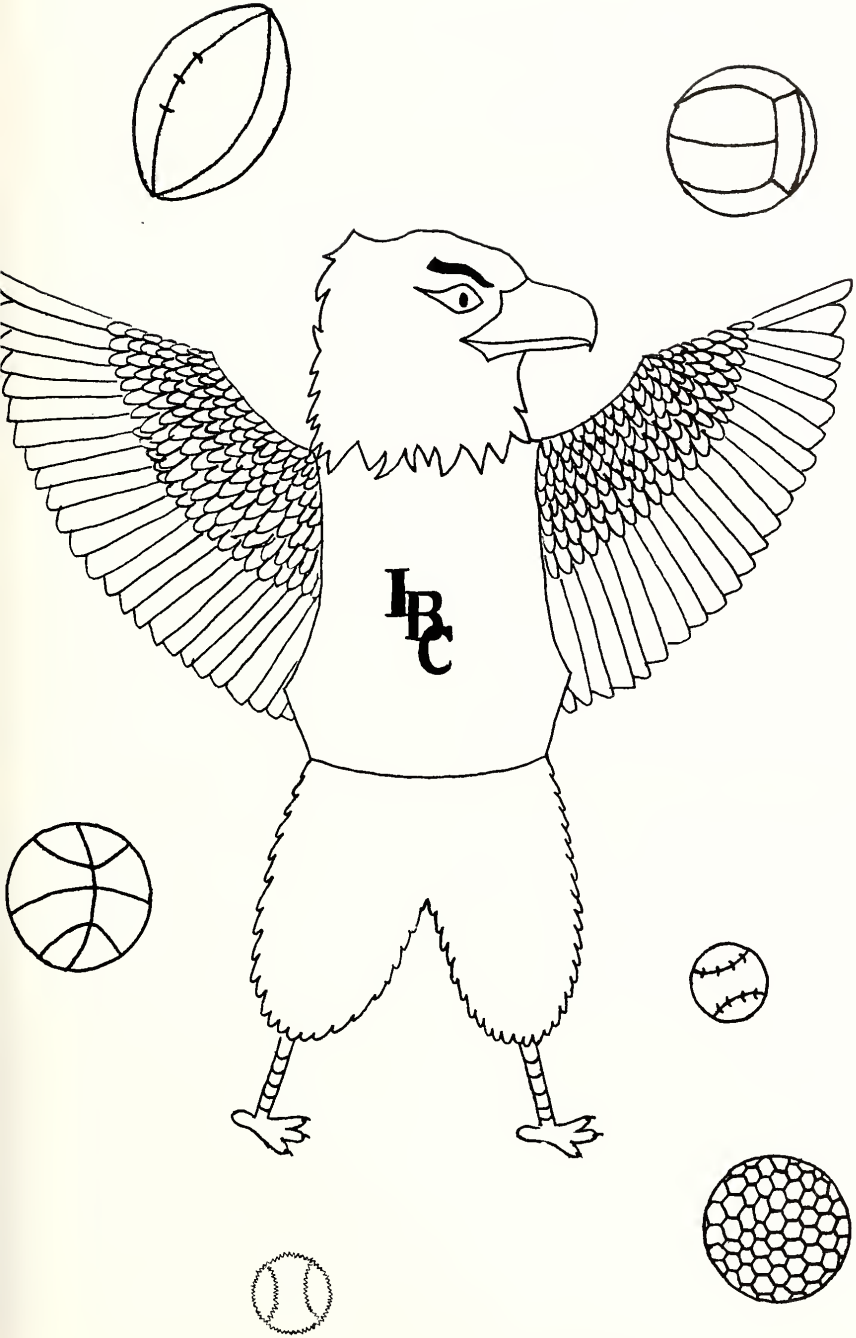
One weekend each spring the IBC campus swarms with little folks. This is the second year the students played host to the children in their lives. The weekend was filled with activities such as picnics, games, movies, and boat rides on the slough. Ondrak Hall, CMC, and FCA sponsored the events for the weekend.

"Those were the Days . . ."

1979-1980 began a change in a familiar sight on the IBC campus — the Pub — now labeled the Student Center. Student organizations labored to find ways to bring entertainment and social outlets to the campus. As a result of the change in the drinking age, Old Style became "out of style" in the fond atmosphere of the Pub. Pinball machines, small jazz and rock bands, and a wider variety of snacks became the main attractions of the new Student Center.

A Touch of Class

It was "Ladies Choice" for the 1980 Turnabout dance. Each spring the commuter association sponsors this event when the ladies take charge. This was the first year that the dance was held off campus at the Nordic Hills Country Club. This event was successfully planned by chairperson Sue Eben.



SPORTS

VARSITY FOOTBALL CLIPPED; WILKE BREAKS RECORD

A young IBC varsity football team ended a long season of frustrations and disappointments compiling a 3-7 record. One fundamental problem followed the team into the season: no returning experienced players. However, due to the leadership and dedication of senior co-captains: Jim Kocal, Bobby Meyer, John McGrath, and Mike O'Reilly the team pulled together at mid-season. Thus, each player performed with a special sense of pride through the remainder of the season.

Spikers Go to State Tournament

The Eagle Volleyball team completed its most productive season in I.B.C. history registering a 12-8 Division III conference record. They also earned an invitation to the state tournament. Coach Deb Dimatteo commented "We started out with two goals this year to finish with a .500 division season and gain a bid to the tournament." However, I.B.C. was defeated by Milikin U and Concordia. Senior Jeanne Dietrich was the most impressive Eagle spiker earning MVP and First Team All-Conference honors, while Diane Sanders earned a starting role on the court and achieved All-Conference, as well. Special recognition goes to Ann Sokolowski who earned Most-Improved honors.

The IBC men's swim team ended a very impressive season compiling an overall winning percentage of .600. The men began practicing in September and most sessions were four hours long. Thus, the hard work and dedication payed off because they broke 11 out of 16 school records. The Eagle swimmers were lead by Captain's Jack O'Connell and Blaine Cusak, Junior Joe Payette, Pat Russell (most improved), and Bob McMahon (mvp). A very young IBC womens swim team completed one of their most productive seasons in Eagle history. They compiled a 7-3 regular season record, which is a .800 winning percentage in their quest for the top. Persistence, hardwork, and dedication at their long practice sessions enabled the women to brake 16 out of 20 school records. Each girl swam their personal bests during the season.

The Eagle swimmers were lead by Captain Alicia Blask, Senior Denise Fleming, Maggie Fischer, Kathy Pavletic (most improved), and Anne Nass (mvp). These girls helped the team to finish 4th in the IAIAW State Championships. Ultimately, two of the Eagle women, Maggie Fischer and Alicia Blask qualified to complete at nationals. The IBC women's basketball team ended a frustrating season with a 10-12 record. When the season began Coach Barb Kane knew the Eagle women lacked the talent necessary to compete with other teams who improved from last year by offering scholarships to their new players. However, strong and consistent performances by Liz Boesen, Phyllis Tito, Crystal Altman, and Brenda Lee enabled the Eagle women to play tough with other teams and show great potential for next year. The highlight of the season was the upset victory over Olivet, 84-79. "Our team was poised and in control," commented Coach Barb Kane. Phyllis Tito lead all scorers in that game with 22 points.

Left to right: Coach Barb Kane, Madeline Gianforte, Astrid Nijman, Phyllis Tito, Liz Boesen, Brenda Lee, Debbie Wagner, Cathy Teale, Crystal Altman.

Kane: "We played excellent ball."

The IBC women's softball team ended their most productive and successful season in recent years as they compiled a 15-5 overall record. When the young Eagles squad took the field in late March, Coach Barb Kane commented, "our team has a good attitude," and "our goal is to earn a bid to the state tournament". The squads good attitude prevailed all season as they put together a 14 game winning streak, the longest in Eagles women's softball history, thus enabling them to earn a bid to the state tournament. IBC finished 4th overall in State. The poised squad was lead by Senior Liz Giannini, Madeline Gianforte (best defensive player), Sandy Smith, and Deb Wagner (MVP).

The IBC womens track team turned in some impressive results at the completion of their season. They captured 6th place at the Milikin Invitational, 1st place at the Carthage Invitational, and 4th place at the IAIAW State Tournament. The inspirational leadership of Lisa Esposito, Katie Cornwall, and Jeanne Dietrich gave the team that extra burst of energy when the competition was tough. Katie and Jeanne shattered old school records in the long jump (17'4") and shotput (40' ¼") respectively. Jeanne shattered the old mark by almost 14 feet.

Women's Tracksters Break Records at State Tournament

Intramural Sports

Intramural sports at Illinois Benedictine for 1979-1980 are a thing of the past now, but, everyone who participated will always remember "the thrill of victory and the agony of defeat".

The men's IM touch football kicked off the intramural season. The competition was fierce but, the Geritol Line overcame this ferocity and captured the championship. Frank Riley quarterbacked the Line to some of the most embarrassing scores this season. For example, they exterminated the Termites 56-6; and they fileted the Coho's 62-2.

The women began their quest for glory in the IM program with the Softball tournament. The championship game featured 1st impressions vs. IBTC. Cheryl and Cathy Teale, Pam Nolan, Cathy Conversa and Monica Olow, defeated IBTC, 17-15 in the first of three games. In the second game, IBTC won 12-11 in 8 innings. The final game was also won by IBTC. Jane Klass, Margie Payne, Kim Jaskunas, and Colleen Murphy all played well for IBTC as they captured the Softball crown.

IM waterpolo ended its season with a great tidal wave as the Drunken Sailors faced the Shrimp Boats for the championship. Both teams played very skillfully, but the Drunken Sailors prevailed and captured the tube title. The Drunken Sailors were lead by Jack O'Connell, Scott Tompkins, and goalie Mike Chmela.

The IM Volleyball saw 3 different styles of competition this year. A men's womens, and coed division comprised the whole league. In the men's division, the defending champs defeated a tough ones team. Both teams were evenly matched with the ones being better Spikers and the Champs being better defenders. The Champs were lead by Bill Deine, Mark Stratman, and Chuck Carrol. In the women's division, the Midgets faced East Wing Delta for the championship. Mary Farrell, Alice Rock, Sue Passantino, Judy Meismer, and Margaret Patterson lead the Midgets passed the wingers in the first game, 15-5. However, the Midgets lost their consistency and the wingers dominated the final 2 games of the match, 15-10 and 15-11. Kim Mastandrea, Rose Shurder, Chris Kwak, Peggy Powers, and Lisa Slezak helped to capture the volleyball title. The coed division found joint effort serving against the Scooters. Joint effort comprised the defending champs and Kathy Paveletic, Diane Piper, Carol Garvey, and Cindy Krecel. They defeated the Scooters 18-16 and 15-10 to capture the title. The Scooters were lead by Paul Tanzillo, Joe Kolar, Jim Kaczmarski, Dave Reynolds, Nan Morgan, and Kathy Conversa.

Men's basketball concluded the 1979 IM season. NADS I, lead by Tom Chalkey, Dennis Higgins, and Mike Powers, defeated a very good Old-Times team, 44-40. Bob Pfister, John Hendricks, and Bro. Bart helped pace the Old-Timers to the finals.

Powder-puff football tournament found 5 teams entering into the forbidden trenches of man's domain and only one team came out of the brutal trap victorious. The Midgets, lead by Sue Passantino, Judy Meismer, and Dimitra Kanellopoulou, were tough, but were mortally wounded in the battle for the crown. The Wildcats, lead by Faye Kass and Sharon Kane, displayed the makings of a great team, but were also blown out of the tournament. The Wild Wingers were also entered, but were no match for Ondrak's finest. The championship game found the Wild Irish vs 1st Impressions to a bruising but decisive victory over the Irish.

The men's IM Track meet was held on February 14 with some impressive results. John McGrath took 1st place in the 60 yd. dash for big men. John Miloch placed 1st in the 220. Dan Hines ran a 5:13 mile and captured 1st place in that event. Bobby Meyer captured the Shotput event with a throw of 39'9". Don Mobley jumped 18' 9" to capture the long jump event. Ultimately, Neuzil 3 captured the overall title with 53 total points. They were followed by Neuzil 1 with 41 points and Jaeger 3 with 24 points.

Men's IM Floor Hockey ended its season with some very exciting games highlighting the overall viewpoint of the season. The Snakes, lead by Tom Mangin, Micky Brennan, and Dennis Hannon captured 1st place in the Silver division followed by a strong Stablemates team lead by goalie Bill Miksch, Dave Chocola, Jim Kazmarski, and Bernie O'Reilly. Mash and the Royals captured first and second, respectively, in the Gold division and eventually met in the finals. Mash captured the overall title over the Royals 3-1.

In the women's championship, Laughing stock beat the Wild Irish 4-2. Ann Marie Malone scored twice for the Stock. Colleen Collins and Jean the Bean scored goals for the Irish.

The 1980 Intramural program ended with 16" softball. The Stablemates faced Nadsl for the title. The mates, lead by Bob Gard, Jimmy Kaczmarski, and Greg Kolton, played evenly with the highly favored Nads I team however, the Nads I team overcame their slow start and beat the Mates 10-8. The second game was all Nads I as they trounced the Mates 19-8. The Nads I team were lead by Bernie O'Reilly, Bill Gleeson, Bob Pfister, and Bobby Meyer.

This yearbook is dedicated to the student body for without you it would be nothing but blank pages. You are the subjects and the reason for this volume. This book has been accomplished by a competent staff which even struggled into the summer vacation with their efforts. Special thanks to Fran Kwak, Bill Miksch, and Debbie Vorrier who stayed with me right to the very end. Appreciation goes to Morris Ferensen and Hunter Publishing Company. I hope that in future years you will be able to look upon this book with fond memories of days spent at IBC.
